Website: <https://www.tmontgo.com/>

## OBJECTIVE

Experienced Front-End Developer skilled in creating responsive, accessible, and engaging web interfaces using modern technologies. Passionate about building user-friendly applications that drive business success.

## COMPUTER SKILLS

- **Design and Development Tools:** Adobe Creative Suite, Autodesk 3ds Max, VS Code, Eclipse, SVN, Git, SonarQube, Oracle SQL Developer
- **Continuous Integration & Cloud Services:** Jenkins, Artifactory, Google Cloud Platform (GCP), Render
- **Full-Stack Development:** Responsive Web Design, Cross-Browser Compatibility, 508/WCAG Accessibility, HTML, CSS (SASS/LESS), JavaScript, TypeScript, React, Bootstrap, jQuery, Node.js, Express, Java, JSP, JSON, XML, SQL, PostgreSQL, Gradle, Bash
- **Project Management & Collaboration:** MS Teams, SharePoint, Joomla, VersionOne, Trello, Jira

## EMPLOYMENT EXPERIENCE

**2015–Aug 2024** **Optimo-IT (Front End Developer)** **Manassas, VA**

- Contributed to the development of responsive interfaces for various USPS platforms using HTML, CSS, JavaScript, Bootstrap, JSP, React, and TypeScript.
- Created responsive HTML email templates for USPS, ensuring cross-client compatibility.
- Supported Google Cloud operations and DevOps tasks.
- Ensured 508/WCAG compliance through documentation and accessibility workshops.

**2009–2015** **Tiber Creek Consulting (Graphic-Web Designer)** **Fairfax, VA**

- Designed and developed responsive interfaces and themes for National Guard and Department of the Navy portals using HTML, CSS, Bootstrap, and jQuery UI.
- Styled icons, graphics, and branding for multiple platforms while ensuring 508/WCAG compliance.
- Created prototypes and mockups to support portal design and functionality enhancements.

**2006–2009** **Applied Research Associates (Digital Media Artist)** **Raleigh, NC**

- Designed 3D assets for military simulation software and visual elements for proposals and marketing materials.
- Produced interactive and print materials, including training content and trade show displays

**2005–2006** **Surry Community College (Instructor)** **Dobson, NC**

- Taught Illustration and Computer Design Basics as an adjunct instructor for two semesters.
